PROJECT

FITNESS FREEK

➤ It is a web application that provides online exercise suggestions, providing a user-friendly platform for people to explore and enroll in various activity programs. We use **HTML, CSS, and JS** for UI. Implemented a secure login page with authentication and authorization features, allowing users to create accounts, log in, and access personalized dashboards.

INTERNSHIP

FULL-STACK WEB DEVELOPMENT – *S shop, Internshala*

➤ My "Full-Stack Web Development" internship is currently in progress. In this training I will get to know about the front-end designing and back-end management of the website.

HOBBIES

➤ Photography
➤ Sketching
➤ Creative

STRENGTHS

➤ Ability to work by myself without the need for constant supervision by employees.

➤ Able to work harmoniously with other members of the team.
